Re: HSRA Release Notification  
Lillian Webb Park  
5 College Street  
Norcross, Gwinnett County, Georgia

Dear Mr. Muller:

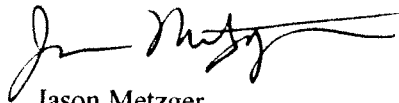

Pursuant to the Rules for Hazardous Site Response, specifically Rule 391-3-19-.05(1) "Listing on the Hazardous Site Inventory," the Environmental Protection Division (EPD) has evaluated the above referenced property to determine whether a release exceeding a reportable quantity has occurred.

**Based upon the information available to EPD at the time this evaluation was done, including your initial Release Notification dated August 19, 2009 and the supplemental Release Notification dated October 6, 2009, EPD has no reason to believe that a release exceeding a reportable quantity has occurred at this property.** The property was evaluated as having unlimited access, residential use with no release to soil or groundwater. Enclosed is a copy of our trip report, recommendation memorandum, and Reportable Quantities Screening Method (RQSM) score sheet that summarize the conditions used to evaluate this property. Based on this information, this property will not be listed on the Hazardous Site Inventory.

As provided for in Section 391-3-19-.04(4) of the Rules, the owner of the property must notify EPD if they become aware of any information not provided in the notification that should have been provided, or if they become aware of any information or events that suggest changes may have occurred in any of the conditions referenced in the attached documents. Please provide a copy of this letter and the attached documents to any person to which title or an interest in this property is transferred.

Please direct questions regarding this matter to John Maddox of the Hazardous Sites Response Program at (404) 657-8600.

Sincerely,

Jason Metzger  
Acting Unit Coordinator  
Hazardous Sites Response Program

Re: HSRA Release Notification  
American Foods  
2345 Flat Shoals Road  
Atlanta, Georgia 30316; DeKalb County

Dear Mr. Sivji:

Pursuant to the Rules for Hazardous Site Response, specifically Rule 391-3-19-.05(1), "Listing on the Hazardous Site Inventory," the Georgia Environmental Protection Division (EPD) has evaluated the above-referenced property to determine whether a release exceeding a reportable quantity has occurred.

**Based upon the information available to EPD at the time this evaluation was done, including your Release Notification received on April 20, 2009, and the supplemental information received on October 15, 2009, EPD has no reason to believe that a release exceeding a reportable quantity has occurred at this property.** The property was evaluated as being non-residential with unlimited access, with the nearest drinking water well located between 1 and 2 miles away. Enclosed is a copy of our inspection report, recommendation memorandum, and reportable quantities screening method (RQSM) score sheet that summarize the conditions used to evaluate this property. Based on this information, this property will not be listed on the Hazardous Site Inventory.

As provided for in Section 391-3-9-.04(4) of the Rules, the owner of the property must notify EPD if they become aware of any information not provided in the notification that should have been provided, or if they become aware of any information or events that suggest changes may have occurred in any of the conditions referenced in the attached documents. Please provide a copy of this letter and the attached documents to any person to which title or an interest in this property is transferred.

Please direct questions regarding this matter to Mr. Allan Nix of the Hazardous Sites Response Program at (404) 657-8600.

Sincerely,

David Brownlee

1689 Old Pendergrass Road  
Jefferson, Jackson County, Georgia

Dear Mr. Barker:

Pursuant to the Rules for Hazardous Site Response, specifically Rule 391-3-19-.05(1) "Listing on the Hazardous Site Inventory", the Environmental Protection Division (EPD) has evaluated the above referenced property to determine whether a release exceeding a reportable quantity has occurred.

**Based upon the information available to EPD at the time this evaluation was done, including your notification received November 26, 2008 and your supplemental notification received November 2, 2009, EPD has no reason to believe that a release exceeding a reportable quantity has occurred at this property.** The property was evaluated as having unlimited access, non-residential use, with the nearest drinking water well located within one-half mile. Enclosed is a copy of our inspection report, recommendation memorandum, and Reportable Quantities Screening Method (RQSM) score sheet that summarize the conditions used to evaluate this property. Based on this information, this property will not be listed on the Hazardous Site Inventory.

As provided for in Section 391-3-19-.04(4) of the Rules, the owner of the property must notify EPD if they become aware of any information not provided in the notification that should have been provided, or if they become aware of any information or events that suggest changes may have occurred in any of the conditions referenced in the attached documents. Please provide a copy of this letter and the attached documents to any person to which title or an interest in this property is transferred.

Please contact me with questions regarding this matter at (404) 657-8600.

Sincerely,

Jason Metzger

Re: HSRA Release Notification  
YRC, Inc.  
6470 Lake Park-Bellville Road  
Lake Park, Lowndes County, Georgia 31636

Dear Mr. Shinnars:

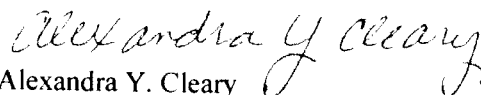

Pursuant to the Rules for Hazardous Site Response, specifically Rule 391-3-19-.05(1) "Listing on the Hazardous Site Inventory," the Environmental Protection Division (EPD) has evaluated the above referenced property to determine whether a release exceeding a reportable quantity has occurred.

**Based upon the information available to EPD at the time this evaluation was done, including your notification dated July 16, 2009, EPD has no reason to believe that a release exceeding a reportable quantity has occurred at this property.** The property was evaluated as non-residential and inaccessible, with the nearest residence at less than 300 feet and the nearest downgradient drinking water well at more than 1 mile, and a release to groundwater above the Maximum Contaminant Level (MCL). Enclosed is a copy of our inspection report, recommendation memorandum, and Reportable Quantities Screening Method (RQSM) score sheet that summarize the conditions used to evaluate this property. Based on this information, this property will not be listed on the Hazardous Site Inventory.

As provided for in Section 391-3-9-.04(4) of the Rules, the owner of the property must notify EPD if they become aware of any information not provided in the notification that should have been provided, or if they become aware of any information or events that suggest changes may have occurred in any of the conditions referenced in the attached documents. Please provide a copy of this letter and the attached documents to any person to which title or an interest in this property is transferred.

Please direct questions regarding this matter to Amanda Sluss at (404) 657-8600.

Sincerely,

Re: HSRA Release Notification  
2284 Marietta Boulevard, NW  
Atlanta, Fulton County, Georgia

Dear Ms. Selig:

Pursuant to the Rules for Hazardous Site Response, specifically Rule 391-3-19-.05(1) "Listing on the Hazardous Site Inventory", the Environmental Protection Division (EPD) has evaluated the above referenced property to determine whether a release exceeding a reportable quantity has occurred.

**Based upon the information available to EPD at the time this evaluation was done, including your notification dated January 29, 2009, EPD has no reason to believe that a release exceeding a reportable quantity has occurred at this property.** The property was evaluated as having unlimited access, non-residential use, with no drinking water wells within 1-mile of the site. Enclosed is a copy of our inspection report, recommendation memorandum, and Reportable Quantities Screening Method (RQSM) score sheet that summarize the conditions used to evaluate this property. Based on this information, this property will not be listed on the Hazardous Site Inventory.

As provided for in Section 391-3-9-.04(4) of the Rules, the owner of the property must notify EPD if they become aware of any information not provided in the notification that should have been provided, or if they become aware of any information or events that suggest changes may have occurred in any of the conditions referenced in the attached documents. Please provide a copy of this letter and the attached documents to any person to which title or an interest in this property is transferred.

Please direct questions regarding this matter to Katie Ross of the Hazardous Sites Response Program at (404) 657-8600.

Sincerely,

David Reuland
