

Accredited Asbestos Inspectors
5/24/2006

Disclaimer: This list was compiled from Asbestos Project Notifications submitted to the State of Georgia EPD Asbestos Program and from individuals or firms that asked for their names to be included on the list. The user should verify the currency and accuracy of the information listed by viewing and getting a copy of the actual current AHERA Asbestos Accreditation (training) Certificate. The State of Georgia does not license/certify/register or accredit asbestos inspectors and cannot assure the accuracy of this information or the endorse the thoroughness of asbestos inspections performed by these individuals. This list is being provided merely to make it easier for interested persons to find an accredited asbestos inspector. **It is not intended as an advertising venue for consultants and/or inspectors, and is only updated if and when time allows.**
